Property Description

After the success of buildings B & C, we are delighted to launch the sale of the final building in the Chalets d'Offaz project in Abondance.

Apartment A14 is a three bedroom apartment of 80.90 sq m. Located on the first floor it comprises a spacious entrance hall, a bedroom with balcony overlooking the village and the valley, two other double bedrooms, a bathroom and separate WC, an open plan kitchen (not included in the price, budget from 8000 €) and a south facing "LUMICENE" bay window which allows you to have your balcony inside or outside depending on the weather.

The project is located 100 m from the centre of the village, and a short walk from the beginner slopes in a quiet and sunny area of the village. The Abondance ski area forms part of both the Portes du Soleil and the Montagnes d'Evian ski domains.

The price includes covered parking, cave and ski locker. Work is well underway and delivery is planned for summer 2024.

The property is covered by the copropriété rules.
