Property Description

There is still some remaining availability in this new and prestigious development overlooking Morzine. The development consists of chalet-style buildings offering both chalet and apartment accommodation. All of the properties benefit from being in a sunny location on the south facing slope with some of the best views in Morzine. They all share use of an outdoor swimming pool.

The properties have been finished to a very high standard and a generous allocation has been provided for owners to be able to specify their own kitchens. There is electric underfloor heating and wood burning stoves can be fitted in the chalets, but are not included in the price.

Chalet B2 featured on this page of the web site has a floor area of 125m2 and occupies two floors of the building, as follows:

Lower level : entrance, open plan living/dining room with kitchen, bedroom with en-suite shower room/WC, separate WC. The living space opens onto a 22m2 terrace.

Upper level: 2 bedrooms with en-suite shower room/WC, one bedroom with en-suite bathroom/WC. The two bedrooms at the front of the chalet have doors opening onto the balcony.

The properties for sale are not fitted out internally but there are plenty of finished properties on the site, which can be visited by arrangement.
