Property Description

A 4 bedroom demi chalet set in the mountains with a spectacular view. Chalet Champel is set in an outlying hamlet of St Gervais and offers peace and calm along with a breathtaking view from its large terrace.

The chalet is laid out as follows:

Spacious living room (65m²) with double glazed windows revealing the panoramic views and allowing plenty of light. The space is naturally divided into two areas, one of which has a wood burning stove.

Main bedroom with ensuite shower room. Useful mini mezzanine for storage or extra space.

Separate kitchen.

Main bathroom with shower, bath, sink and WC.

Bright veranda room.

Access to a huge secluded terrace which looks out to the Dôme du Goûter, Bionnassay glacier, and the surrounding forests and pastures. There is an outdoor built-in BBQ.

The upper level of the chalet has 3 bedrooms but note these are under head height, but do offer the possibility of sleeping up to 6 people.

Buyers should be aware that the hamlet is set up a mountain road which is snow cleared, but would require access with a 4x4 vehicle in the winter.
