Property Description

At 1,100m, in a quiet residential sector, the Résidence Alpaga is made up of 2 buildings, compact and "chalet" style.

With its mountain feel, this development is in perfect harmony with the typical architecture of the village of Les Carroz and it enjoys a sunny location away from the hustle and bustle.

The village, 900m away, is accessible on foot, just a 10 minute walk away. A stone's throw from the development is : a free ski shuttle bus and a supermarket with petrol station (5 minutes walk away).

All the apartments are south facing and equipped with a gas boiler for heating and hot water. Entry is controlled by videophone.

The latest, modern materials have been used and the highest energy saving and comfort standards have been respected (RT2012).

The entrance, living room and kitchen area are tiled, whilst the bedrooms are laid with wooden flooring. Big windows have been installed for maximum light. Each apartment has a ski locker, as well as a covered exterior parking space.

The bathrooms have a sink unit, a mirror with light and a heated towel rail. As for the kitchen, it is equipped with a fridge, a dishwasher, a multifunction oven, a recycling filter extractor and an induction hob. It is still possible to choose the kitchen unit fronts.

B101 is 61m² with 3 bedrooms. The main bedroom has an integrated wardrobe and ensuite with shower, a 2nd bedroom has integrated storage and a 3rd smaller bedroom is suitable for a bunk bed. There is also a family bathroom with bath, a separate toilet, an entrance with integrated cupboard, a fully equipped open plan kitchen and living area with patio door access onto a south facing 10.8m² balcony. Other windows are east facing.

As it is a new build, the notary fees are reduced (2.5%).

The property is covered by the copropriété rules.
