Property Description

Apartment Fleurs' Alpes is situated on the garden level of a charming, small apartment building, just 200m from the ski lift in the centre of Les Carroz. The building is located at the end of a no-through road and sits above the main road which leads to the ski slopes, so a peaceful location with open views.

With a floor area of 47.56m2, the accommodation comprises: entrance area with built in storage, leading to an open plan living room with modern fitted kitchen and large windows and fully glazed door onto a 12m2 terrace. There are 2 bedrooms and a shower room with WC.

Tastefully renovated at the beginning of 2017, the apartment is offered for sale fully furnished. It also has a garage.

The apartment was rented out during the last winter season (following completion of the renovations in January) and offers excellent rental potential!

The property is covered by the copropriété rules.
