Property Description

Renovated in 2015, this centrally located duplex would make a fantastic holiday home. On the second and last floor of a small co-propriety of 18 lots with an outdoor swimming pool and communal south-facing gardens, the apartment is comprised of the following: open-plan living room with kitchen with a balcony overlooking the heart of Argentiere village, a bathroom with a separate WC. On the upper floor an open bedroom space with bunkbeds and a separate double bedroom.

The apartment has plenty of storage, and ski lockers are soon to be installed for each property.

The co-prop bills include the water and heating costs, as well as the maintenance of the swimming pool and gardens.

A ten minute walk from the famous Grands Montets ski area and only 20 meters from the start of the local hiking trails, it's ideally located for those seeking the area's natural pursuits.

The property is covered by the copropriété rules.
