Property Description

Appt. Les Airelles, 303 is a 57.63m², 2 bedroom (T3) third floor apartment, which comprises : entrance with built-in cupboard, open plan living room (21.91m²) with fitted kitchen, 2 bedrooms (one of which is en-suite), bathroom with bath, separate WC, terrace-balcony of 20.13m². Parking space, cave (additional storage) and ski locker.

Les Airelles is a brand new project by Efficiencie, a prestige developer, specialising in combining modernity with the charm and elegance of traditional mountain architecture. Particular attention has been paid to the sympathetic integration of the building into the existing environment at the foot of the pistes and ensuring that each apartment enjoys exceptional views of the mountain environment.

To give you an idea of the finished project and quality of the finishings in the Airelles development:

[Video of Les Airelles:](#)

Les Carroz d'Arâches is a well-placed ski resort which ticks lots of boxes in terms of location and amenities, including : strategic location mid-way between Geneva, Annecy and Chamonix, 55 minute drive from Geneva airport, 260km of pistes which it shares with the Grand Massif ski domain, thriving village with animated village centre, numerous year-round sporting activities.

The building complies with all rules and regulations in place. The heating will be hydraulic underfloor heating except for the bathrooms which will be equipped with towel radiators, Hot water will be from individual condensation gas heaters and each apartment will have its own meter.

Kitchens are fitted with combi-oven, microwave, ceramic hob, wall extractor, dishwasher, fridge-freezer.

There is wooden flooring in the living area and bedrooms, whilst the kitchen and bathrooms will have porcelain stone tiles (choice of 5 colours).

An individual automated system will manage the lighting, roller shutters and heating for the apartment.

Choices of colours and materials will be available to the buyer: including colour of doors, cupboard doors, kitchen and floors.

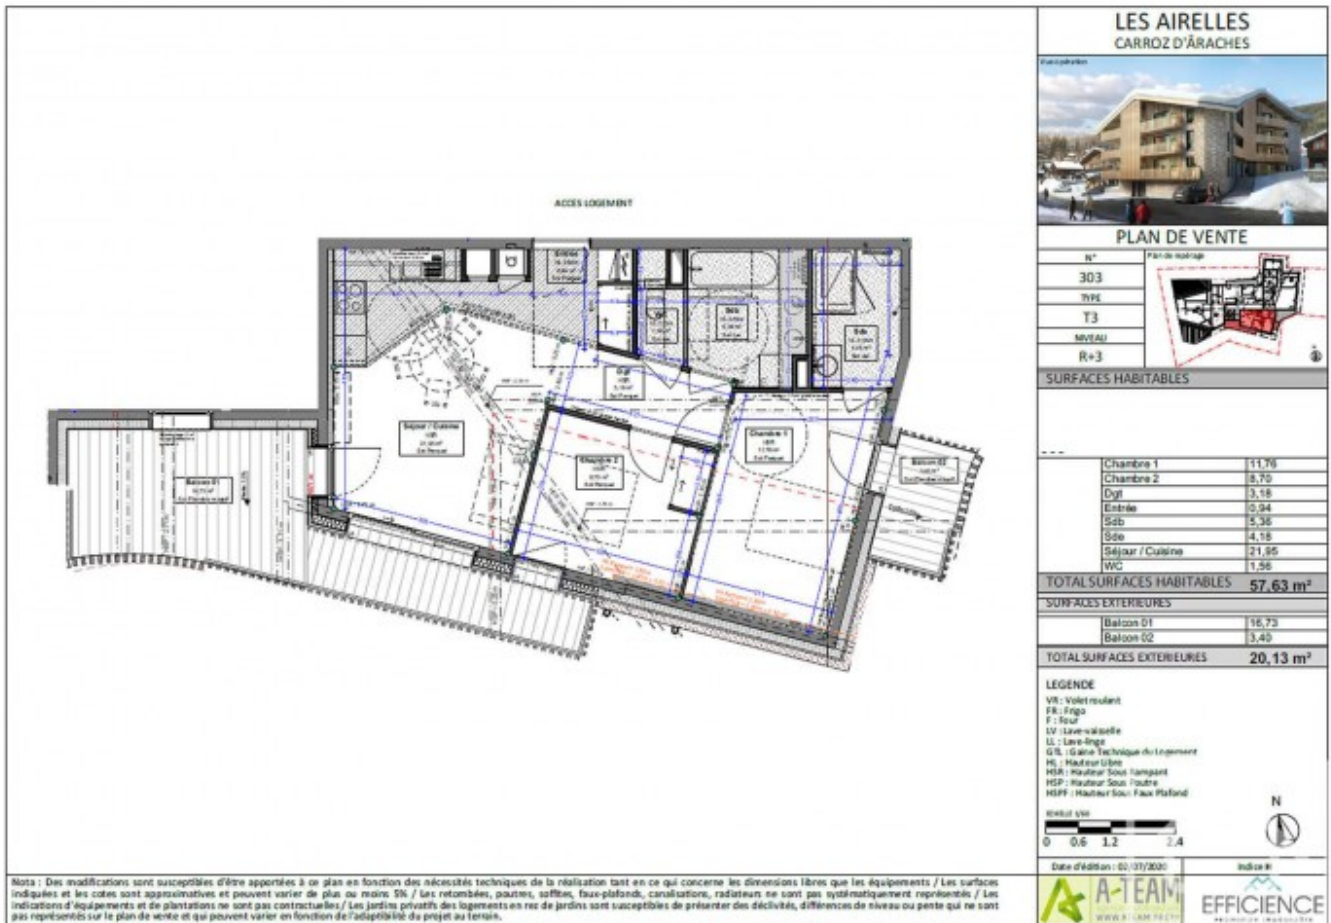

The external window and door openings are fitted with aluminium, electric roller shutters.

Each apartment comes with a ski locker with an electric socket, allowing for the installation of a boot dryer.

The building also benefits from a communal bike storage room.

The project is due for delivery Spring 2022. Reduced notaires fees of 2.5% will apply.

The property is covered by the copropriété rules.
