Property Description

This neat and tidy studio apartment is situated on the second floor of this nicely-maintained residence. The property backs on to the “home run” down to the main ski lift in the resort, so you can be the first up the mountain and making fresh tracks each morning!

The apartment has been carefully maintained by its owners, and thoughtfully laid out to make the most of the space available. With bunk beds in the “coin montagne”, plus the fold out sofa bed, there is sleeping accommodation for 4. The small kitchenette is more than adequate for your holiday catering needs, and there is a dining table to seat 4. There is plenty of handy storage to keep all your belongings tidy, and there is a bathroom with bathtub, plus separate WC.

The west-facing balcony makes the most of the afternoon and evening sun, and the view overlooks a number of attractive chalets, and on to the mountains beyond. The apartment is sold fully furnished, allowing you to move straight in and enjoy from day one! There is ample residents’ parking, and the apartment is sold with a ski locker.

Situated adjacent to the original farmhouses of the village, the residence is in a lovely quiet area, surrounded by detached chalets rather than other apartment buildings, but the amenities of the ski resort are within easy walking distance – bars, restaurants, grocery shops and ski hire shops providing everything you need for your ski holiday.

The resort is small and friendly, with a lively atmosphere and offers some really beautiful skiing around the majestic “Roc d’Enfer”, covered by the Portes du Soleil ski pass. The bigger resort of Morzine is under 10 minutes away by car, and also accessible by ski bus, giving access to the full Portes du Soleil ski area. Geneva airport is around 75 minutes’ drive.

The property is covered by the copropriété rules.
