Property Description

The original chalet is about 40 years old but has recently been expanded and completely renovated, with a new kitchen, electrics and external insulation.

All on one level the chalet is approximately 75m², it has an open plan kitchen/living/dining room with a separate WC, bedroom and shower/dressing room. The apartment is a studio of +/- 25m² that has a kitchen and bathroom. As such it could provide a rental income.

The land encircles the two buildings with terraces on three sides and jacuzzi with a view, all the surrounding plots are agricultural. The property itself is in a constructible zone, it could be developed further, a car port or veranda added, perhaps another level. Currently on a septic tank, the mains drains are at proximity and future connection will be obligatory.

The Chalet is located in the village of Vailly (which has a couple of bar/restaurants, shops and a school). It is 20mins drive to Thonon-les-Bains and the shores of Lac Lemman, the nearby village of Lullin (3km) has a chemist, doctor and all the shops you need. The nearest skiing is at Hirmentaz 8 mins drive, but many larger resorts would be accessed under the hour, such as Les Portes du Soleil 30mins.
