Property Description

1000m² of land situated close to Samoens town centre and approx. 800m from the ski lift at Samoens (giving access to the whole of the Grand Massif ski domain, via Samoens 1600). Samoens is located just over an hours drive from Geneva airport.

Plots of land with this proximity to Samoens are becoming a scarcity and this plot already has planning permission to construct a 4 bedroom chalet of 225m². Alpine Property can put you in touch with reliable local builders and architects.

An artists impression of the chalet is shown in the 'Photos' section and the floor plans for the project can be viewed by clicking on 'Floor Plans' on the left hand side of this page. Higher resolution plans for the project are available upon request.
