## Property Description

Chalet Marmottières is located in the La Frasse area, 5 km from the centre of Les Carroz. A 10-minute drive is all it takes to reach the main lift. Climbing enthusiasts and nature lovers will particularly appreciate its location, as it is only a few metres away from the La Frasse climbing face, which is also suitable for beginners.

The chalet, built in the 1980s, has been well-maintained and retains its original appearance except for the bathroom, which was completely renovated less than 2 years ago.

It consists of an L-shaped living area with a kitchenette, a utility room, and a bathroom with a toilet. Upstairs, there are 2 small bedrooms and a mezzanine currently used as a bedroom. A closed lean-to located at the back of the chalet houses a washing machine, hot water tank, garden equipment, and bicycles.

The potential of the chalet is undeniable. Simply creating an extension from the mezzanine would allow for another bedroom to be fitted.

Located on a 853 m<sup>2</sup> plot in a Ud zone, it is also entirely possible to create an extension!
