Property Description

Discover the ultimate mountain lifestyle at the new residence L'Eloge du Poète, where you can breathe in the crisp air and leave your car behind in the parking lot. With an apartment here, you're not just investing in a ski area; you're embracing a year-round haven of activities. From exhilarating summer hikes amidst lush forests to tranquil lakeside strolls, every season offers something spectacular just steps from your door.

Immerse yourself in the rich heritage of Samoëns with this thoughtfully designed apartment, offering breathtaking views of Le Criou. Inspired by the legacy of Jean-Alfred Mogenet, a local poet and farmer whose verses captured the essence of local mountain life, the residence pays homage to the village's distinguished history. Each apartment in this development is meticulously crafted with top-of-the-line amenities and customizable options, ensuring your dream home becomes a reality.

Apartment A202 is a spacious 83.38m² (of which 77.08m² is over 1.8m), two bedroom plus duplex apartment consisting of, on the first floor, an entrance area, an open plan kitchen and living / dining room with access to a private 9.11m² balcony, a double bedroom with an ensuite bathroom and WC. On the second floor; 2 double bedrooms, a shower room, a mezzanine / study area and an independent WC.

Apartment A202 offers the option of an alternate floor plan, featuring a more open plan living space and an additional WC on the first floor. A plan for this alternative layout is included in our photo reel.

The property offers a perfect blend of tradition and modernity with meticulously designed interiors. From wood-clad living room walls to sleek porcelain-tiled bathrooms, every detail exudes authentic mountain charm. Commitment to sustainability shines through with low-energy performance and compliance with the latest regulations, ensuring your home is as eco-friendly as it is luxurious.

The apartment includes convenient features such as underfloor heating and a ski room equipped with boot warmers. An elevator connects all floors, and with 2 underground parking spaces, a cellar, and ski storage included, every aspect of your mountain retreat is carefully considered.

The project delivery date is scheduled for Autumn 2026.
