Property Description

The Airelle apartment is on the first floor of a development located in a quiet area, close to Aquacîme (which combines a wellness area, fitness centre, and swimming pool) and is served in winter by free ski shuttle buses. The village centre and the nearest shops are only about a ten-minute walk away.

The apartment offers a little over 30 m², including 16 m² for the main room and 7.66 m² for the bedroom area, which is not completely enclosed. The bathroom has a bath, and the toilet is separate.

The apartment needs complete renovation, and since most of the walls between the bathroom, bedroom, and toilet are not load-bearing, it would be possible to reconfigure its layout to make the most of the space!

The east-facing 9 m² balcony is a real asset and allows you to enjoy a fairly unobstructed view of the ski slopes.

It is sold with a ski locker and a cellar located on the ground floor of the residence.

A nice perk of the residence: it has pétanque courts and a private tennis court!

The property is covered by the copropriété rules.
