Property Description

This sizeable plot of land in Verchaix was granted planning permission in June 2007. The permit granted is for the construction of a large chalet with swimming pool. The total land area of the plot is 986m² and the total floor area of the proposed chalet is 504m², of which approximately 230m² is habitable floor space (the remainder being used as garage and cellar space).

Floor plans for the proposed chalet can be viewed by clicking on 'floor plans' on the left hand side of this web page. More detailed plans for the chalet construction are available upon request. Alpine Property are able to put prospective buyers in touch with reliable local builders.
