## Property Description

Chalet du Coteau Royal A is a modern, warm and well proportioned chalet with amazing panoramic views of the Valley d'Abondance.

Built in 1989, the chalet underwent a high quality renovation inside and out in 2016. It is in excellent order throughout and is a true "key-in-hand" property.

On the ground floor is an open plan living/dining/kitchen area with modern fitted kitchen, Jotul wood burning stove, entrance with WC and coat/shoe cupboard and sunny SW facing balconies.

Upstairs are two bedrooms (one of which could house 3 or 4 beds) with balconies and a family bathroom.

The lower ground floor has a second living room, bedroom, shower room and plenty of storage space.

Each bedroom has a wooden fitted wardrobe.

The chalet is located at the end of the Route du Roitet, with impressive panoramic views and lots of sunshine. It comes with a private garage with storage space, and the ski bus stops at the bottom of the access stairs.
