Property Description

Apartment Le Vorsay is located in a well-maintained building in the centre of Les Gets, just a few steps away from the ski slopes, shops, and all the resort attractions! The residence has recently undergone a renovation and energy performance update, and the interior of the apartment itself has also been fully renovated.

A welcoming and practical entrance hall with plenty of storage cupboards leads to all the rooms in the apartment, giving the property a spacious feel. This apartment, absolutely ready for immediate occupation, has two large bedrooms, both bright and with large built-in wardrobes, and one with access to the super balcony.

The large living area is double aspect, offering beautiful views and access through the large French doors to the long balcony, which will become a little haven of peace in any season. The living room area leads to a new open-plan kitchen, as well-equipped as it is pretty! A well-designed bathroom with a laundry area and a separate WC complete the apartment.

In the common areas of the residence, you'll find a large private cellar, with plenty of space for bikes and ski storage. A generous covered parking space is can be made available, subject to negotiation.

All-in all, Le Vorsay, is a 'must-visit' property - both comfortable and practical, it would serve as an excellent base to explore the mountains during winter or summer holidays, or would make a very pleasant primary residence.

The property is covered by the copropriété rules.
