Drainage	Mains drains
Energy efficiency rating	C (148)
CO2 emissions	A (4)
Agency fees	Paid by the seller

Property Description

Built in 2018 this beautiful chalet is situated at 1430m altitude and faces south/south-west with an open view towards the ski pistes of Sommand.

The property is almost totally open plan on the ground floor, with plenty of French windows opening onto the level land in front of the chalet. This entire floor is bright and sunny, with exceptional views. There is also a laundry room, separate WC and a large pellet burning stove.

On the first floor, there are four bedrooms, two are joined with a 'Jack and Jill' shower room. There is an open landing which gives a great feeling of space, also a separate WC and a bathroom awaiting completion. A sum of 10,000CHF has already been paid to an artisan to complete the bathroom on the first floor and add fitted wardrobe doors on the ground floor. This advance is included in the sale, but the vendors wish to leave the choice of the eventual layout to the purchasers.

There is under floor heating throughout the property, fuelled by a wood pellet boiler. The land surrounds the chalet, the garage has a work shop with covered space for one car, there is external parking for up to 4 cars.

Praz de Lys/Sommand is a ski area with a very good snow record, 66km of pistes and situated between 1250m and 1980m. Other local ski stations nearby are le Massif des Brasses (20mins) and Hirmentaz and the Roc d'Enfer circuit (30mins). Larger resorts would include Samoens (le Grand Massif) and Les Gets (Portes du Soleil) both 40mins. Geneva airport is one hour's drive away and the nearest shops are found in the town of Mieussy lower down the mountain.
