Property Description

This apartment is located in a sought-after area of Les Carroz, which has gained popularity in recent years due to its peaceful and picturesque environment, while still being just a 3-minute drive from the centre. A bus stop for the free ski shuttles is only 300 meters from the residence.

The residence is well-maintained and benefits from a solid maintenance fund, which has allowed for numerous improvements, including new letterboxes, gutters, intercom systems, automatic outdoor lighting, and the creation of storage cellars.

For walking enthusiasts, it takes just 20 minutes on foot to reach the village!

This 41 m² apartment is located on the first floor of a small residence and is laid out as follows:

An entrance with a large cupboard

A bedroom with a double bed

A shower room with a toilet

An open-plan kitchen leading to the living area with a lounge space, where an alcove currently serves as a bunk bed sleeping area but could be turned into a proper bedroom with the addition of a partition.

A small hallway extending from the living area provides access to a spacious east-facing terrace, where you can admire views of the Marcellly peak.

The apartment is sold fully furnished.

Maintenance fees include residence maintenance, green space upkeep, snow removal, as well as water and heating, thanks to the building's collective gas boiler!

It is sold with a parking space and a ski locker.

The property is covered by the copropriété rules.
