This charming property comprises of four thoughtfully crafted apartments divided over two buildings, offering two- and three-bedroom options.

Each home features spacious, carefully designed interiors, with all of the properties enjoying dual orientations and private outdoor spaces such as balconies or gardens—perfect for savouring the fresh alpine air.

Built to RE2020 environmental standards, the development ensures energy efficiency, with individual heat pumps providing underfloor hydraulic heating and hot water.

Furthermore, Samoëns is only an hour's drive from Geneva International Airport, ensuring easy access for year-round getaways or international travel.

Apartment 3 is a spacious 95.2m² ground-floor residence designed for both comfort and practicality.
