Property Description

Situated at the bottom of the Nyon cable car, with instant access to one of Morzine's most treasured ski areas, this studio apartment offers everything needed in a holiday home. The entrance leads into a bunk area with access to the bathroom and separate wc, and then into a bright, pretty living area. The little kitchen/dining area is practical, and the sitting room area is comfortable, has storage, and opens onto a large balcony, suitable for summer dining, with enviable views over Nyon and down to the gently bubbling river Dranse.

Excellently located for making the most of the daylight hours during the ski season, this studio at the foot of the slopes is also just 10 minutes away on foot from the centre of Morzine, via a riverside footpath, so would also make a superb summer retreat, or an excellent rental investment.

The apartment is sold with a private cave and a parking space.

The property is covered by the copropriété rules.
