Property Description

Nestled in a peaceful, private setting with no overlooking neighbours, this charming 220 m² log chalet offers stunning panoramic views of Mont Blanc and the surrounding peaks. Located on a beautifully maintained plot of 737 m², the property combines traditional alpine character with spacious, functional living; ideal as a family home or a mountain retreat.

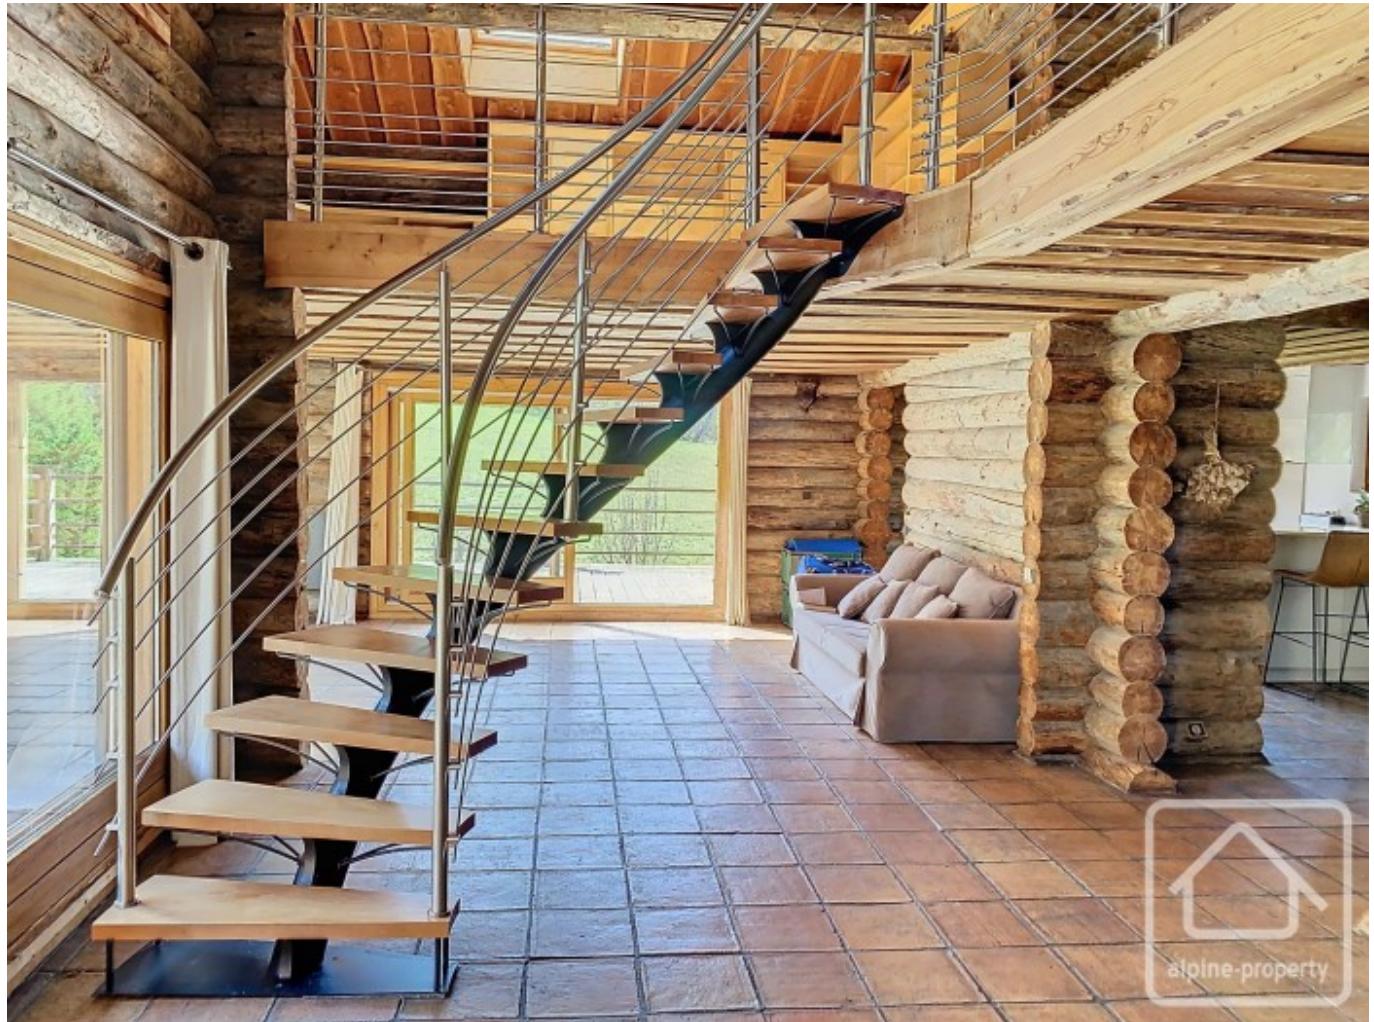

The main floor features a dramatic cathedral-style living room with exposed beams and a fireplace, a dining area opening onto a large south-facing terrace with breathtaking Mont Blanc views, a fully equipped kitchen, and a bedroom with an en-suite shower room and WC.

Upstairs, you'll find a cozy mezzanine office space with lots of storage and two attic-style bedrooms, one of which has its own en-suite bathroom and separate WC.

On the garden level, there are two additional bedrooms that open onto the garden, a shower room with WC, a dressing room, a cellar, and a generous storage area, offering excellent flexibility for guests, rentals, or creating a wellness space.

This is a rare opportunity to own a character-filled chalet in a sought-after part of Les Houches, just minutes from ski lifts, hiking trails, and the heart of the Chamonix Valley.
