Property Description

This parcel of land is located in the highly sought after Petit Chatel area of the village. It has fantastic views and sunshine and is only a short walk from the nearest chairlift.

The land itself comprises an old chalet from the 1960s, but what makes this land exceptionally interesting is that the owner has been granted planning permission for a large, luxury chalet of around 300 sq m.

The plans incorporate some aspects of the existing chalet but really it will be taken back to a concrete base and not much else.

For those looking to build their dream chalet in a stunning location, this could be the property for you.
