Property Description

L'Alpée is an excellent new-build programme of only 19 apartments in two low-rise, chalet-style residences right on the ski bus route, and only a short walk from all the amenities that Montriond village has to offer.

The apartments range in price from €420,000 for one bedroom, one bathroom, and a surface area of 51m², up to €1 045,000 for the largest four-bedroom, three-bathroom penthouse property with a surface area of 110,8m². The price of each apartment is "key-in-hand", and includes all flooring, wall finishes, and fully equipped kitchens and bathrooms.

Thanks to the variety of options included in the purchase price, you can personalise your apartment according to your own tastes from a wide choice of tiles, flooring, and kitchen styles. Each kitchen is equipped with a dishwasher, oven, hob, extractor fan, and refrigerator.

The exterior of the residence will have an attractive wood, natural stone and traditional plaster finish, all excellent quality materials that will blend with the environment and require minimal maintenance.

In terms of outside space, each apartment has a large private balcony or terrace.

A designated covered parking space is included in the price of every apartment, and visitor parking will also be provided. Each apartment also has its own cellar storage, either inside the apartment or in the communal storage area, and there will be a separate communal bike storage area in each building.

The advantages of buying off-plan are numerous: new-build purchases benefit from reduced stamp duty (approx 2.5% of purchase price instead of approx 7%), representing a significant saving. Payments are also staged throughout the build as work progresses, so you can spread the cost over a period of time. Finally, new builds are covered by a number of guarantees, both financial and structural, so you are fully protected from the moment you sign the reservation contract until 10 years after completion.

Delivery of the Alpée residence is due at the end of 2027.
