Property Description

Located in the highly sought-after and sunny area of Petit Châtel, this recently built apartment offers a rare lifestyle opportunity in the heart of the Portes du Soleil. Positioned just above the Petit Châtel chairlift, you can enjoy true ski-in/ski-out access directly from the residence, with shops and amenities close by.

With a total surface area of 73.4 sqm, this garden-level apartment stands out for its spacious layout and modern design. It features two large bedrooms, each with its own en-suite shower room, ensuring both comfort and privacy.

The bright living area opens onto a beautiful 30 sqm terrace with railing, perfect for enjoying the sun and open views.

High-end features include:

- Recently built residence (2024)
- Underfloor heating with individual room temperature control
- Smart thermostats with remote control via mobile apps
- Collective hot water system (heating + domestic use)
- Low energy consumption: approx. €40/month (year-round occupancy)
- Wood-effect tiled flooring
- Fully fitted kitchen by Schmidt
- High-speed fibre optic internet

Additional premium amenities:

- Cellar (6 sqm): dry, well-ventilated, parquet flooring, power outlet and motion-sensor lighting
- Private garage (30 sqm) with car lift access, automatic door, power supply and lighting
- Pedestrian lift providing easy access to outdoor parking

- Ski locker with integrated boot dryer

This rare property perfectly combines modern comfort, convenience, and a prime alpine location, making it ideal as a primary residence, holiday home, or rental investment.

The property is covered by the copropriété rules.
