There will be two separate, neighbouring chalet buildings, each housing four, south facing apartments. The apartment described here is Apartment No.2. Details of Apartment No.3 can be viewed on a separate page of this web site.

Apartment La Voraz 2 is situated on the lower ground floor and has a floor area of 50m2. The accommodation comprises: entrance, open plan living/dining room and kitchen, double bedroom (1), double bedroom (2), separate shower/WC.

Each apartment has it's own separate cellar/storage room of 7m2.

All the apartments will have electric heating and floors will be tiled throughout. The sale price does not include a kitchen as this is at additional cost and to customer's specifications. The apartments are due to be completed in 2010.

The hamlet of La Voraz is situated just outside the pretty village of Chapelle d'Abondance. The nearest access to skiing in the linked Portes du Soleil ski area is a short drive away and Geneva airport is an hour and a half drive from La Voraz.

The property is covered by the copropriété rules.
