Property Description

This south facing apartment is adjacent to the ski lift in Sixt-Fer-à-Cheval, this is convenient for the skiing at the small local ski area. The much larger "Grand Massif" ski area is accessible by regular ski bus to Samoens, after a days skiing in Les Carroz and Flaine it would be normal to ski back to Sixt via the cascade run. A world class finish to your day!

The apartment consists of an entrance, bunk room (Coin Montagne), double bedroom, shower room, separate WC, open plan living area and kitchen. There is access onto the large south facing balcony.

Unusually for a small apartment, it comes with a garage AND a cave.

The property is covered by the copropriété rules.
